better by design. it's the Cimarron Way

Cimarron Trailers has teamed up with club calf legend Kirk Stierwalt to design the perfect club calf trailer. The Stierwalt Pro Package has all the most useful trailer features for hauling club calves like storage for your grooming chute, side ramp, and effortless traveling center gate. Plus if you're looking for that show stopping Stierwalt style, you can combine the Stierwalt Signature Series exterior options with your Stierwalt Pro Package trailer for a trailer that gets the job done while turning heads. Cimarron has also compiled a list of Kirk Stierwalt's favorite trailer features that can be added individually to any Cimarron trailer such as air ride suspension, hydraulic jacks and the lighted sign on the front of the gooseneck.

Cimarron Standard:

Insulated Roof

Interlocking Floor on 4" centers

Heavy Duty Hinges with Grease Zerts

LED Lighting

Traveling Center Gate

Side Ramp

Exterior Tie Rails

Inlaid Brand in Side Slat

Stierwalt Suggested Options:

Equalizer Hydraulic Jack

LED Dome Light

Lighted Front Sign

Shelf with Clothes Bar

LED Awning Light

Air Ride Axles

Enclosed Front Gooseneck
